

# ELA and Math

## Agency Wide Opportunities In Pocahontas

### 2012 - 2013

*This is a great opportunity for teachers from a district that are **not part of a consortium** to come and investigate the Iowa Core in Math or ELA. Teams will be created by grade levels, so districts are encouraged to send as many or **all** teachers from the same grade as possible. Each team will examine and make meaning of the Iowa Core document at their grade level and what it will entail to implement fully.*
